## VETERINARIANS REQUIRED SASKATCHEWAN

**Assiniboia** - veterinarian required for rural mixed practice in southern Saskatchewan. Clinic located in Assiniboia, with a satellite clinic in Rockglen, and two ambulatory units. Excellent support staff, with emphasis on teamwork and friendly atmosphere. Facilities equipped with therapeutic and surgical CO<sub>2</sub> laser systems, complete Vetest lab, ultrasound, x-ray, ultrasonic dental equipment, power float, and IV pump. Salary and benefits negotiable. New grads welcome. Contact: Dr. Bonnie Brandt, Box 2107, 424 Railway Ave, Assiniboia SK S0H 0B0, T. 306.642.4204, F. 306.642.3209 or email: [s.c.vet@sasktel.net](mailto:s.c.vet@sasktel.net)

**Assiniboia** - veterinarian(s) required for a well-established mixed practice in southern Saskatchewan ([www.assiniboia.net](http://www.assiniboia.net)). The clinic is 75% cow-calf/feedlot, 20% small animal, 5% equine. There are two RVTs, one herd health technician and one veterinary assistant. We have in-clinic laboratory (Vetscan), IDEXX Lasercyte, X-ray, isoflurane, ultrasonic scaler/ polisher, Aloka ultrasound machine, equine powerfloat, two hydraulic portable chutes and hydraulic tilt table; truck with a PortaVet unit for on-farm calls. All obstetrical cases are done in clinic. Clinic offers full benefit package (medical dental) paid licence dues and CE allowance. Salary is negotiable. Contact Dr. Kelly Lightfoot T. 306.642.4447 C. 306.642.8977 or [assiniboivetclinic@sasktel.net](mailto:assiniboivetclinic@sasktel.net)

**Indian Head** - The Indian Head Animal Clinic is seeking a part time (1-2 days per week) small animal veterinarian. We strive to provide quality veterinary care in a "small-town friendly" atmosphere. The clinic is staffed with one RVT and a pet groomer in addition to our other long term support staff. We are equipped with x-ray, ultrasound, IV pumps, surgical monitoring equipment, some in-house laboratory capabilities, and have newly renovated the clinic to better serve our needs. Hours of work are flexible. This position would be ideal for a veterinarian who is semi-retired or has family commitments and desires part time work. Please apply to Dr. Melanie Roth, Box 598, Indian Head SK S0G 2K0 or by email at [ihac@sasktel.net](mailto:ihac@sasktel.net). Our website can be viewed at [www.ihanimal.com](http://www.ihanimal.com)

**Regina** - The Animal Clinic of Regina is looking for a veterinarian to join our practice. Our busy walk-in practice offers a challenging work environment with lots of support from staff and colleagues. We offer health benefits and competitive wages. Please send your résumé to [animalclinicofregina@sasktel.net](mailto:animalclinicofregina@sasktel.net) or to 1800 Garnet St., Regina SK S4T 2Z2. Check out our website at [www.animalclinicofregina.ca](http://www.animalclinicofregina.ca).

**Regina** - Sherwood Animal Clinic, a well-established busy mixed animal practice is looking for a veterinarian to join their team. 55% companion animal, 35% equine, 10% bovine. We offer paid licence and CE, shared on-call, discounted pet care and supplies. Salary is commensurate with experience; signing bonus offered. Clinic uses ultrasound, endoscopy, digital radiography and small/large dental care. Contact Dr. Larry Hanson, Box 3330, Regina SK S4P 3H1. T. 306.525.3763 or [hansonls@sasktel.net](mailto:hansonls@sasktel.net)

**Regina** - we are a five-veterinarian small animal practice looking for a full or part-time veterinarian to join our team. We are committed to providing the best in patient care and client service in a fun and friendly environment. Our practice has a Vet Scan laboratory, Accu Vet laser, digital radiography, digital dental radiography and soon to have an ultrasound machine. We are open Monday to Saturday and refer after hours calls to the 24 HR emergency clinic. The compensation offered is very competitive and depends on experience. Contact Dr. Denita Shtuka at the Victoria Veterinary Clinic, 628 Victoria Avenue, Regina, SK S4N 0R1; T. 306.522.8802; cell 306.537.7898; email [vicvetclinic@sasktel.net](mailto:vicvetclinic@sasktel.net)

## **Alberta Chair in Beef Cattle Health and Production Management**

The Western College of Veterinary Medicine is seeking applications for a term faculty position in beef cattle health and production medicine. The chair holder will be expected to provide educational leadership in beef cattle health and production management to veterinary students, veterinarians and beef producers. Applicants must hold a DVM degree (or equivalent). Postgraduate training and/or board certification in a relevant specialty are desirable, but not required. Candidates must be eligible for licensure to practise veterinary medicine in Saskatchewan. Preference will be given to those candidates with appropriate clinical experience and a demonstrated record of scholarly activity. Applicants will be considered through September 15, 2010, or until the position is filled. Please forward curriculum vitae and the names of three references to Dr. John Campbell, Dept. of Large Animal Clinical Sciences, WCVM, 52 Campus Drive, Saskatoon SK S7N 5B4; email [john.campbell@usask.ca](mailto:john.campbell@usask.ca) for further information.

## **ALBERTA**

**Red Deer** - Looking for a fulfilling career where you will make a difference for the lost and unwanted animals of central Alberta? Red Deer & District SPCA is seeking a part-time licensed DVM for their new, progressive and state-of-the-art Animal Wellness Centre. Competitive salary, flexible scheduling, prorated ABMVA dues and CE allowance, uniforms, and employee incentive programs plus a friendly team environment are just a few of the attractive features of this exciting new position. Please refer to [www.reddeerspca.com](http://www.reddeerspca.com) "About Us - Employment Opportunities" for complete details.

## **LOCUM AVAILABLE**

**The remote area veterinary services, Team North,** is a voluntary group of veterinarians, technologists and students that travel to remote areas of northern Saskatchewan to examine, vaccinate, de-worm and spay or neuter pets at no cost to the owner. Dogs running at large and in groups create a serious health and safety issue in these remote areas with no access to veterinary services. There is currently no funding in place to

support this program and the group relies on donations. The following WISH LIST has been developed; any help you can offer would be *greatly appreciated*. Please contact Dr. Lesley Sheppard at 306.525.5244 or Sharon Murray at the SVMA office, 306.955.7868 if you have items to donate. **Permanent equipment:** clippers, autoclave, endotracheal tube, pulse oximeters, Rubbermaid bins, Mayo stands, scissors, tables, scales, cat bag/tank, otoscopes, kennels, surgical gowns, anesthetic masks. **Consumables:** caps and masks, needles, paper towels, Isoflurane, suture-PDS/catgut, Propofol, surgical and exam gloves, tape, alcohol, catheters, Hibitane, disposable drapes, disposable surgical gowns, peel packs, gauze, Ziplock bags.
