Application Process

An application form must be completed in full and forwarded to the registrar along with the following:

- A cheque, money order, Visa or MasterCard number for appropriate SVMA and CVMA fees.
- A notarized copy of the applicant's veterinary degree and the CVMA Certificate of Qualification.
- Educational applicants must submit proof of enrolment in the College of Graduate Studies and Research at the University of Saskatchewan within one (1) month of enrolment.
- A letter of good standing, along with proof of CVMA fees paid, is to be provided by all jurisdictions where the applicant has been, is currently, or has made application to be, licensed to practise. It is your responsibility to contact these jurisdictions and have them send documents directly to the registrar.

Applicant will attend the next licensing seminar and write and pass a written examination on the provisions of *The Veterinarians Act*, bylaws and practice standards of the association. **Passing mark is 70%**. The exam fee is \$100; first re-write is \$100; second re-write is \$250. If unsuccessful on second attempt, the applicant must appear before council. If unable to attend the first seminar after being granted a licence, applicant must write the exam within 30 days of seminar date *and* attend the next seminar. Seminars are held twice yearly.

Successful applicants in any membership category are classified as temporary members until they have attended the licensing seminar.

All of the above conditions must be met before a licence will be issued.

MEMBERSHIP CATEGORIES

Members must pay applicable annual non-refundable SVMA fees and CVMA fees (unless the CVMA fee is paid through another province). Click [here](#) for fee schedule.

General

A general practice member is a registered veterinarian licensed to engage in any form of veterinary practise. The applicant must have a National Examining Board (NEB) Certificate of Qualification or have a valid current practice licence in another Canadian province.

Academic

An academic practice member is a registered veterinarian who practises veterinary medicine only in the department in which he holds a professorial appointment and to the extent required by that appointment.

Educational

An educational practice member is a registered veterinarian who only engages in the practise of veterinary medicine as an appointee in an internship, residency, graduates studies or other education program approved by SVMA council.

Short Term

A short-term practice member is a registered veterinarian who is licensed to engage in any form of the practise of veterinary medicine for a period of up to 120 days in monthly blocks. (Some restrictions may apply).

Social

A social membership may be issued to any person who has held membership in the association or any equivalent veterinary association. The applicant may not engage in the practise of veterinary medicine in Saskatchewan.
